

23 March 1982

Gentlemen:

Members of an Agency Evaluation Board have completed an initial evaluation of architectural and engineering submittals for design services to implement Phase I of the Headquarters Master Plan. The evaluation was conducted on the basis of criteria published in the Commerce Business Daily on 9 February 1982. The following firms have been selected for additional consideration:

CRS/Sirrline, Joint Venture

Smith, Hinchman & Grylls Associates, Inc.

The Association of VVKR, Inc./Dewberry & Davis/
Everett I. Brown

The large number of quality submittals made the selection a difficult but rewarding process, and the Agency appreciates the time and effort expended to prepare your submittal. Although your firm was not selected for further consideration, your Standard Form 254 will be kept on file for consideration on future projects.

Sincerely,

[Redacted Signature]
